Selling Is of Liberal Proportions But Has No Appearance of a Stampede.

Cheago, Id. March 18.—Only moderate-clines resulted in the wheat marget to-from the prospects of a guidwar stripe. Hing was of liberal proportions but had appearance of being of a stamped char-ter. Opening arters which ranged from a to 2% c lower, with May at \$1.78 to 75%, and July at \$1.18°, to \$1.5° were lowed by a sight raily and then a war at in some cases went a little under the trail level.
